COMFORT CORNER

Each Comfort Care Package is worth approximately \$600 but is priceless to the recipient.

"We can't tell you how grateful our daughter was when she got her bag full of goodies. When she went to the Cancer Treatment Center in Philadelphia she was very nervous. Now she knows she's not the only one with this dreadful disease. Thanks for all your work."

"Thank you so very much for the iPad, Lisa's Army. It helps me get through long stays at the hospital. I have no idea how I would have passed the time without it. I always take it with me to the clinic. Just in case I'm there for a long period of time. I will use it always. Thank you soooooo much."

OUR MISSION

Lisa's Army is a registered 501(c)(3) non-profit organization dedicated to providing comfort to courageous individuals currently undergoing cancer treatments.

After being diagnosed at age 20, amidst her own battle with ovarian cancer, Lisa Loonstyn-Golden launched a crusade in the name of fighters everywhere. She believed that no one should fight alone, so, with the help of her family and friends, Lisa's Army was formed. It is an organization dedicated to comforting men, women and children with cancer. The goal of Lisa's Army is to make a difference in the world just like Lisa was able to accomplish in her short time with us. Now, we continue to fight in her name, and invite you to join our Army!

Lisa's Army supplies personalized Comfort Care Packages to individuals currently battling any type of cancer. The care packages are filled with an inspirational card, personal care items, an Apple iPad or BEATs Headphones, iTunes gift card, journals, pens and other items to make the patient's treatment as comfortable as possible. This was the wish of Lisa, who saw countless people in treatment with little support.

SPONSOR SPOTLIGHT

Many thanks to the Beneficial Foundation for their sponsorship! Their generosity enables us to provide dozens of additional Comfort Care Packages to courageous individuals this year. The Beneficial Foundation's sponsorship also includes support for our website and social media outreach, allowing us to share our story with an even larger audience. We appreciate you, Beneficial Foundation!
