SPONSOR SPOTLIGHT

Our generous sponsors are the biggest reason we're able to comfort an average of one cancer fighter per day. Windsor Financial Group's charitable donation this year will enable us to purchase more than a dozen iPads for Comfort Care Packages. In addition, Rich Ennis, Financial Professional with Windsor, received a Lisa's Army Impact Award for both 2015 and 2016. We appreciate Rich and Windsor Financial Group and look forward to showing them how much their sponsorship means to those courageous individuals battling cancer!

All of our operating expenses are covered by a generous **PRIVATE GRANT**; no donations support the operation of Lisa's Army.

COMFORTEER CONGRATULATIONS!

Lisa's Army extends our sincere appreciation to Mrs. Andrea Dolan, History teacher at Bonner & Prendergast Catholic High School, and the members of the National Honor Society for their outstanding efforts in collecting items needed to fill our Comfort Care Packages. Mrs. Dolan and the NHS challenged the home room classes, with the class that collected the most items enjoying breakfast provided by the staff!! The staff and students at Bonner/Prendie High School are truly Comforteers!! For information on joining the Comforteer team, email jane@lisasarmy.org.

COMFORT CORNER

"Lisa's Army, Words cannot begin to express my surprise and gratitude for the beautiful package I received. As a cancer patient, every little act of kindness makes you feel

so much better and your package made my day. It's nice to know there are so many generous people in the world."

"Dear Lisa's Army,

I just wanted to thank you so much for the things you sent to my best friend. The gifts you gave to her were so helpful and really raised her spirits at times when things got tough. What you guys provide to people in need is so thoughtful. Thank you so much again!"

"Dear Lisa's Army,

I just received my care package from your wonderful organization! I can tell you, it brightened my day! Thank you so very much for all the wonderful goodies and the awesome bag itself! The inspirational banner contains wise words, words we often take for granted – but these words are the words of strength and hope!

Thank you for the makeup bag with goodies to make me feel pretty, the chemo cap to keep my balding head warm, and, of course, the iPad to help me keep up with my classes! I truly appreciate it and am grateful that wonderful organizations like yours exist to help us cancer survivors!"

DONATIONS

Lisa's Army depends on your kind and generous donations to provide the maximum number of Comfort Care Packages to individuals battling cancer. This month we are in need of BPA-free water bottles (at least 16 oz.) and nonslip socks with grips on the bottom. If you're able to donate these items or cash towards other Comfort Care Package items, please contact marianne@lisasarmy.org. Thank you!
