OUR NEWEST COMFORTEERS!

Many thanks to Girl Scout Troop #9123 of the Knights Service Unit, who made 60 scrolls and 60 cards for Lisa's Army last month. They are also going to make scrolls and cards on an ongoing basis. If you have time or creativity to give, our amazing Volunteer Coordinator, Jane, will help you join our Comforteer team! For more information, email jane@lissarmy.org.

Lisa's Army currently works with **9 Philadelphia-area hospitals** to get referrals for Comfort Care Package recipients.

SPONSOR SPOTLIGHT

This month we send a giant Lisa's Army thank you to Thomas Jefferson University Hospital for their bighearted sponsorship! Their generosity will provide bags and blankets for more than 200 Comfort Care Packages! That's a lot of love going out to people courageously battling cancer.  Without organizations like Thomas Jefferson University Hospital, we couldn't do what we do best! Thank you, TJ, from the bottoms of our hearts!!

COMFORT CORNER

*"Dear Lisa's Army staff,
Thank you for all the goodies and things to provide comfort in this time of my life. I have used the headphones on a number of occasions, they work*

really well. In my sickness, I have used a Queasy Pop and been soothed by the warmth of the blanket. It is hard to stay warm as I lost my hair, but the blanket has been very helpful during the stay in the hospital so far. I hope every day is special for you all. Thank you for making this just that little bit easier."

~ Comfort Care Package recipient

*"To the amazing people at Lisa's Army,
You sent me a Comfort Care Package filled with everything I could possibly need. The blanket is so soft and warm, the toiletries were used on a little getaway and the journal is used frequently. As I face Stage 4 breast cancer I wanted to do something for my children, who are 7 & 9 to remember me by. We use the iPad to take movies and I record myself sharing my childhood memories or sharing insight into what their 1st dates may be like, responsibilities of driving a car, 1st heartbreak, etc. Thank you so much for helping my husband and I make this possible."*

~ Comfort Care Package recipient

*"Dear Lisa's Army,
Thank you again for the package filled with useful items, including the iPad Air. I have been continually touched by the support I have received from not only family and friends but from caring organizations such as yours."*
