

## Comforting Those Battling Cancer

## Comfort Courier

June 2017

**DID YOU KNOW?**  
Comfort Care Packages have been made possible through corporate sponsorship so far this year.

A Lisa's Army Comfort Care Package includes over 15 items specifically chosen to help comfort those battling cancer. One hundred percent of funds raised and donated go toward the purchase of these items. Every item that's donated helps to stretch our funding even further. We'd love to talk to you about "adopting" a Comfort Care Package item for a month to help us achieve our goal of comforting as many courageous individuals as possible. For as little as \$60, you can provide an item that makes a meaningful difference in the lives of Comfort Care Package recipients. Please call us today, or email Marianne, our Donation Coordinator, for more information about how you can help us do what we do best. [marianne@lisasarmy.org](mailto:marianne@lisasarmy.org)

Lisa's Army has gifted Comfort Care Packages to people battling cancer in **20 states and 3 countries.**

### SPONSOR SPOTLIGHT

Andrew Kratz, of Berkshire Hathaway HomeServices, has been with Lisa's Army since we started in August 2013. He's been a steadfast supporter, sponsoring and attending many events each year. This year, Andrew's generous sponsorship will provide Beats headphones for more than a dozen Comfort Care Packages! Thank you, Andrew!!

### COMFORTEER CONGRATS!

Lisa's Army extends our sincere appreciation to Barbara Daulerio, Lynne Quinn and Joan Landmesser, amazing nurses at Bryn Mawr Hospital. They collected Comfort Care Package items through the Penns Wood Community Service Outreach Project AND they donated a Dooney and Bourke handbag for a raffle drawing at the 2017 Lisa's Army Ball and Monte Carlo Night! They are wonderful Comforteers!! If you're ready to join our Comforteer team, email our amazing Volunteer Coordinator, Jane, at [jane@lisasarmy.org](mailto:jane@lisasarmy.org).

### COMFORT CORNER

*Thank you so much for thinking of me to receive this gift, Lisa's Army! I feel so special. I feel like I am always giving and never receiving and you have made me realize that there are others out there who love taking care of people. This process is tough but you have made it go smoother for me.*

*Hello! I was lucky enough to get one of your Comfort Care Packages and would like to thank your group for doing this for individuals during treatment. I know that I have enjoyed everything in the package and take it with me during my treatments. Thanks again!*

*I wanted to reach out as one of my family members who is battling cancer received a Comfort Care Package from Lisa's Army earlier this week. I cannot thank you enough for the kindness and inspiration surrounding this care package. My uncle could not contain his excitement about the iPad that was in the care package, which now allows him to FaceTime his 1 1/2 year old while he is in the hospital.*

*Thank you for my Comfort Care Package! I cried as I was so overwhelmed by the gifts inside and the overall kindness your organization brings to people like me. I can't wait to pay it forward in the future!*

*I received the Comfort Care Package, tears of joy, I was so overwhelmed! Thank you kindly. May God bless you all.*
