SPONSOR SPOTLIGHT

Larry Bernstein and family-owned Woodland Building Supply have been continuous supporters of Lisa's Army since 2013. Larry, his family and employees proudly attend every Lisa's Army event. They love wearing Lisa's Army gear to show their support! This year, Woodland's generous sponsorship helped fund iPads for more than seven Comfort Care Packages. We love the Bernsteins and Woodland Building Supply! We couldn't do what we do without people like you!

Since opening our doors 4 years ago, we have received over \$500,000 in donations.

YOU HAVE OUR HEARTFELT THANKS!

Tozour Energy Systems and the Tozour Family Foundation in King of Prussia have chosen Lisa's Army as one of the charitable organizations they support. Their employees and families recently collected items for our Comfort Care Packages, helped us inventory those items, made cards and scrolls, and helped us assemble Comfort Care Packages at our headquarters. They also made a cash donation that enabled us to give Comfort Care Packages to two Philadelphia-area cancer patients.

COMFORT CORNER

"Thank you so much for the iPad and package filled with so many things to do while I get my chemo, blood and platelets. It helps to pass those long hours in the chair!"

"A special Thank You to Lisa's Army for your kindness in sending the Comfort Care Package for Bobby! It was a tough day that day and what you did made him smile again and again. Thank you for your support."

"Thank you so much for the Comfort Care Package! It warmed my heart immensely."

"My cousin received her Comfort Care Package! She was so happy. She said she could not believe the amount of thought put into each and every item in the package. She said the Jergens lotion in the package reminded her of our grandmother, which made her very happy. I hope you realize what a positive effect your Comfort Care Packages have on the recipients. Thank you again from the bottom of my heart."

"My wife received the package today and she was beyond excited, thank you so much for brightening her week! We received bad news in relation to her scans on Saturday, so the timing couldn't have been better."

"Thank you so much for the extremely generous and useful care package. Everything in it has been useful during this journey through breast cancer. Thank you for taking the time to do all you do. It has been a terrific comfort and I will always be extremely appreciative."
