SPONSOR SPOTLIGHT

MassMutual has been a sponsor of Lisa's Army for three years running! Recently, MassMutual recognized Lisa's Army with their Community Service Gold Award which included a grant covering the cost of 20 Comfort Care Packages! That's a lot of caring and a lot of comfort for some very deserving individuals battling cancer. Thank you, MassMutual! We couldn't do what we do without people like you!

COMFORT CORNER

"You are an amazing organization who sent a Comfort Care Package to my brother Russell last year when he was fighting. Your amazing kindness resonates with our

family. We are looking forward to joining you this year for a second year at Pumpkins in the Park in his memory."

"Thank you so much for the awesome Comfort Care Package I received today at my chemo session! My nurse navigator brought it to me and my husband and I were blown away by your thoughtfulness and generosity! The numerous comfort and activity items are perfect, and the Beats headphones are amazing!"

"I was diagnosed with stage 3b invasive breast cancer this past March. It changed my life in so many ways, one of which is being able to appreciate the good in life and in others. I received a Comfort Care Package a few weeks ago and it made me cry... happy tears. It came on a day I was feeling down and drained. I opened it and felt the care and love put in to it. I called that day and said thank you. You made me feel like family as we talked. Your amazing love and kindness means so much. Thank you again!"

"Today was one of those 'Ugh' days – '9 more weeks of chemo' days. Look what was dropped at my apartment door! A Lisa's Army Comfort Care Package!! Thanks for bringing me a smile, a bunch of happy tears... and the Kleenex! So stinking sweet! Thank you!"
