COMFORTEER CONGRATULATIONS!!

Our 2017 Pumpkins in the Park 5K Run and Family Fun Walk was a huge hit! We had a record number of participants and some very special Comforteers helped us take care of them.

- ♥ **Lower Merion High School** students kept runners and walkers safely on the course.
- ♥ **Christ the King School** 8th graders were on hand with plenty of water for runners and walkers.
- ♥ **Girl Scout Troop #9123** worked in the food tent.

More than 3 dozen teens helped us throughout the day! When all the runners and walkers had gone home, those same Comforteers stayed and helped us take down the event tents, tables, chairs, signs, and more. Wow! We have the BEST volunteers EVER!

For more info on becoming a Lisa's Army Comforteer, contact Jane at jane.kirk@lisasarmy.org
We couldn't do what we do without people like you!

A monthly donation of just **\$40** at lisasarmy.org will fund **1 complete Comfort Care Package** every year!

SPONSOR SPOTLIGHT

This month, we're proud to recognize Dr. Dawn Cute of Optimum Health Chiropractic. For over 3 years, Dr. Cute has sponsored Lisa's Army events, hosted a donation drop box, held card-making parties, and provided volunteers for various events and projects. In addition, Dr. Cute has funded almost a dozen Comfort Care Packages! We're grateful to Dr. Cute for her continuing support of our efforts to comfort men, women and children undergoing cancer treatment!

COMFORT CORNER

"Eugene just started treatment a few weeks ago and has been so upset to be thrust into this 'new reality.' The Comfort Care Package he received from Lisa's Army really cheered him up! (And his wife too!)"

"I received my Comfort Care Package today and tears of happiness are just flowing! I cannot thank you enough for this blessing. It has made my day! God bless you all!"

"I am a recent recipient of one of your Comfort Care Packages full of goodies. I just wanted to thank you from the bottom of my heart. I could feel the love of everyone who contributed in every single item in that bag. I had chemo yesterday and brought my bag with me. What comfort it gave to me! Thank you, thank you, thank you!"

*"Words cannot describe my sincere gratitude for the Comfort Care Package from Lisa's Army! I was diagnosed with triple negative breast cancer and a month later tested positive for the BRCA gene. The care package I received brought tears to my eyes, not only because of the needed "goodies" and iPad (which was a huge surprise!), but because you get it! Every item given has helped to bring me **COMFORT**. For this I am forever grateful and will pay it forward by giving to Lisa's Army and sponsoring another in need...just like me."*
