SPONSOR SPOTLIGHT

Julie Welker, Broker at Coldwell Banker - Welker Real Estate, has sponsored Lisa's Army's Pumpkins in the Park 5K Run and Family Fun Walk every year since the beginning! Julie's enthusiasm and excitement help to keep us charged up while we plan every year's race. In addition to her Pumpkins in the Park support, Julie has donated a warm, snuggly blanket **every week** for the last 4 years!! That's a lot of care and comfort for the more than 200 people who received Comfort Care Packages with those blankets. Our hats are off to you, Julie, and our hearts are full of gratitude for your continued loving support.

We couldn't do what we do without people like you!

100 percent of donations received go directly toward providing our signature **Comfort Care Packages** at no cost to recipients!

COMFORTEER MESSAGE

Some of our favorite moments at Lisa's Army are when we can share stories of Comfort Care Package recipients who are sharing their time, talent, and treasure to help comfort other people undergoing cancer treatment. This month our #FullCircleStory begins with Charlie Carbin. Charlie received one of our signature Comfort Care Packages and was touched by the support of Lisa's Army. He and his wife, Kristin, attended our holiday card-making party last month, then hosted a party of their own so they could make even more holiday cards. Over Thanksgiving weekend, the whole family got involved by hosting a donation drive. Charlie, you and your family are an inspiration to us and we're grateful for all you're doing to help us in our mission to comfort those battling cancer! If you'd like to join us as a **COMFORTEER** please contact Jane at jane.kirk@lisasarmy.org!

COMFORT CORNER

"I just want to say a big Thank You to Lisa's Army. They sent a beautiful Comfort Care Package to a very special lady who is fighting brain cancer. The

family is so grateful for this beautiful gift and especially the iPad as it will allow her to FaceTime with 2 of her sisters, who live in another state, as she goes through this round of chemo and radiation. Thank you! Thank you! Thank you!"

"My cousin Roseann received her Comfort Care Package. She was so happy! She said should could not believe the amount of thought put into each and every item in the package! She said the Jergen's lotion reminded her of our grandmother, which made her very happy. I hope you realize what a positive impact those Comfort Care Packages have on the recipients. Thank you again from the bottom of my heart."

"Thank you, Lisa's Army for the wonderful Comfort Care Package! Elaina says it all helps when spending time in treatment at Walter Reed."

"Today was one of those 'Ugh' days... 9 more weeks of chemo days. Look what was delivered to my apartment door – a fabulous Comfort Care Package! Thanks for bringing me a smile, a bunch of happy tears & the Kleenex! You're soooo stinking sweet. Thank you."
