

Comforting Those Battling Cancer

Comfort Courier

February 2018

DID YOU KNOW? Philadelphians are diagnosed with cancer every day.

(Pennsylvania Department of Health, Division of Health Informatics, 2017)

C♥MFORTEER CHEERS!

Thank you to students from **Green Woods Charter** School, Saint Andrew School, and Saint Philip Neri School who joined us on the National Day of Service in January! These wonderful volunteers made inspirational cards and helped organize and pack donated items for Comfort Care Packages. If you have time, treasure or talent to give, please email jane.kirk@lisasarmy.org to join us as a Lisa's Army Comforteer!

We couldn't do what we do without people like you!

"I just want to say thank you so much for your organization providing Riley with a new iPad! She's now able to watch her shows and work on her

educational apps and games while receiving treatment in the hospital. We appreciate your kindness!"

"We just want to thank all of you at Lisa's Army for the AMAZING Comfort Care Package that included a brand new iPad you gave our 4-and-a-half-year-old daughter, Olivia, who is currently battling leukemia (ALL). She is doing great and her spirit is high thanks to people like you! What you are doing means so much to families like ours... I hope we can come by and visit sometime soon to thank you in person!"

"Thank you all! I love Lisa's Army! They helped me in my time of need. Some day when I get better I want to donate my time and help out the Army. ** "

"My son just received your Comfort Care Package full of many generous & thoughtful items! He was having a difficult day & your package couldn't have come at a better time. He asked me how can people afford to do this? I told him, good people with a mission have magical powers. Our entire family can't thank you enough for your thoughtful generosity!"
