COMFORTING THOSE BATTLING CANCER

WHO WE ARE, WHAT WE DO, AND WHY WE NEED YOUR HELP!

Summer 2022
WHO WE ARE

• After being diagnosed at age 20, amidst her own battle with ovarian cancer, Lisa Loonstyn-Golden launched a crusade in the name of fighters everywhere.

• She believed that no one should fight alone, so, with the help of her family and friends, Lisa’s Army was formed.

• It is an organization dedicated to comforting men, women and children with cancer. The goal of Lisa’s Army is to make a difference in the world just like Lisa was able to accomplish in her short time with us. Now, we continue to fight in her name, and invite you to join our Army!

Lisa’s Army is a 501(c)(3) nonprofit organization.
OUR MISSION

• Lisa’s Army supplies personalized Comfort Care Packages to individuals currently battling any type of cancer.

• The Package is a carefully curated collection of items including an inspirational card, personal care items, an Apple iPad or BEATs Headphones, journals, pens and other items to make the patient’s treatment as comfortable as possible\(^1\). This was the wish of Lisa who saw countless people in treatment with little support.

• Each of these packages cost over $650 after generous discounts from some retailers but is priceless to the recipient.

\(^1\)Note, contents varies.

WHO WE ARE

- **Melissa’s Brigade** is the Mercer County, New Jersey chapter of Lisa’s Army.

- Melissa McCormack, a then Lawrenceville resident, battled ovarian cancer and was nominated to receive a Lisa’s Army Comfort Care Package while being treated at the Fox Chase Cancer Center in 2018.

Lisa’s Army is a 501(c)(3) nonprofit organization.
• Melissa was so impressed with the expression of love, generosity and compassion, she adopted Lisa’s Army and began to increase awareness and fundraise.

• Matter of fact, she and a brigade of family and friends participated in the annual Lisa’s Army 5K on October 12, 2019 just three weeks before she passed away.

• In early 2020 a group of Melissa’s friends appealed to Lisa’s Army to create a Chapter in Mercer County to continue Lisa’s mission in Melissa’s name.
WHAT WE DO

• Our goal is to provide **TWO Comfort Care Packages a month** to our medical sites: Robert Wood Johnson University Hospital in Hamilton and the Capital Health Cancer Center in Hopewell.

• Recipients are nominated by the doctors and nurses working directly with these courageous patients.

• This obligation has a real cost of over $31,000.

• Our Brigade is looking for generous community members to:
  ✓ Contribute contents
  ✓ Help fundraise
  ✓ Donate
  ✓ Get involved!

• 100% of all money raised goes directly to the procurement of Comfort Care Package contents!

"When I received this care package I was overjoyed at everything in it. From the lotion to queasy pops to the iPad, everything was so perfectly thought out! I was diagnosed with ovarian cancer in March of this year and at the hands of a surgeon got the news of no evidence of disease. I am currently in chemo treatment to ensure this cancer is gone and stays gone! I have had so many blessings along this journey and Lisa's Army just adds to that list! Thank you so much to everyone at Lisa's Army!!" 🌈❤️
